

# SunWave S4

LIVE TOMORROW, **TODAY**

The ecomobility at the heart of the cities.

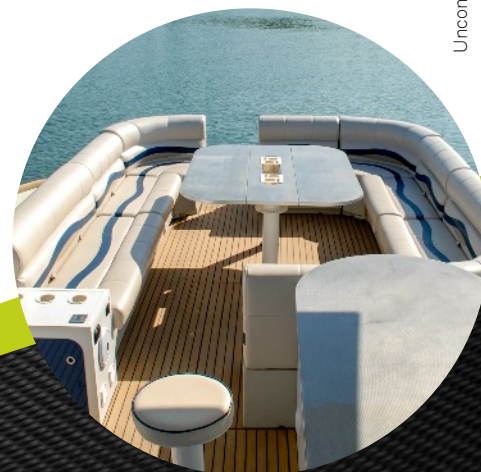

The SunWave **S4** is opening a new era of river sailing.

It is **electric**, **solar** and it gives the passengers the opportunity to live a new experience : no noise, no smell, no pollution.

Come and discover the Sunwaves S4 on the Seine in Paris from **May 2020** with our partner Green River.
